Blytheco Welcomes Minneapolis-based Automated Business Solutions

Laguna Hills, California – June 10, 2008 – Leading Sage Software business partner Blytheco, LLC is pleased to announce that award-winning Sage Software partner Automated Business Solutions, Inc., led by President Judy Peterson, will join Blytheco as of August 1, 2008. The union will bring the 13-member team at Automated Business Solutions into the Blytheco family, strengthening Blytheco’s sales and professional services practice in the Midwest and further expanding the firm’s national presence.

Based in Minneapolis, Automated Business Solutions was founded in 1991 and serves approximately 650 active clients, specializing in Sage MAS 90, MAS 200, ABRA HRMS, and ACT! software. The company is one of few partners designated a “Sage Software National Partner,” and is a Sage-authorized training center. They have been named to Sage’s prestigious President’s Circle each year beginning in 1998, and are consistently one of *Accounting Technology Magazine’s* “100 Technology Pacesetters,” an annual list of the industry’s top firms. Automated Business Solutions’ office in Minneapolis will continue to service its clients; the united organization will focus on enhancing its Sage ERP, Human Resources, Customer Relationship Management, and development practices while continuing to provide high-quality service to existing clients.

“We look forward to leveraging Blytheco’s resources to expand the product and service offerings that we offer in this market,” said Peterson. “With Blytheco, we know we will continue to achieve even greater levels of success and solidify our position as the leading Sage Software provider in the Midwest.”

Stephen Blythe, CEO of Blytheco, LLC agrees: “We are proud to welcome Judy and her team. She has a stellar reputation as a first-class Sage Software partner and is highly respected in our industry. Combining her strengths with Blytheco resources will benefit our staff and our shared clients tremendously.”
