Blytheco, LLC Tees Off to Support Cancer Research

Laguna Hills, California – August 27, 2008 – Leading Sage Software business partner Blytheco, LLC is proud to support the Orange County Ernst & Young Alumni Golf Tournament benefiting the UCLA Jonsson Cancer Center Foundation, in memory of former Ernst & Young Orange County Partner, Greg Ross.

Donations to the Foundation fund cutting-edge research that helps scientists and patients move closer to a cure for cancer. The Jonsson Comprehensive Cancer Center has been named best cancer center in California by “U.S. News and World Report” for eight consecutive years. The center is internationally renowned for developing new cancer therapies, providing the best in experimental and traditional treatments, and expertly guiding and training the next generation of medical researchers.

“It is indeed an honor to support this worthwhile event that helps make significant inroads towards a cancer cure,” said Stephen Blythe, CEO of Blytheco, who is an Ernst & Young alumnus. “So many of our lives are touched these days with this disease and I admire the outstanding work and results of the Jonsson Center.” Blythe has been on the Board of the Ernst & Young Orange County Alumni for the past seven years and an annual sponsor for the golf tournament. Additionally, Blytheco employees have participated with the American Cancer Society’s Relay for Life since 1999 raising over \$70,000 for the organization to help find the cure for cancer.
