Laguna Hills, California – November 5, 2009 – Leading Sage Software business partner Blytheco, LLC is pleased to announce that effective November 1, Blytheco has acquired Tampa-based Evanoff Business Software. The transaction will further strengthen Blytheco’s existing sales and professional services practice in Florida and add to a growing national presence that has become the key to continued success for the company.

Evanoff Business Software, led by industry veteran Larry Evanoff, has served Sage users since 1987 with specialties in accounting, manufacturing and distribution solutions. They represent Sage MAS 90, MAS 200, and FAS Asset Accounting software through a consulting practice that emphasizes extensive business knowledge combined with personal client relationships. “I am confident that our clients will be well-served by the professionals at Blytheco,” said Evanoff Business Software President Larry Evanoff. “Blytheco has a deep commitment to outstanding customer service and brings to each client engagement a breadth of expertise and resources that are unmatched in the Sage community.”

“It is a pleasure to welcome Evanoff Business Software clients to Blytheco and to see our Tampa office grow once again,” said Stephen Blythe, CEO of Blytheco, LLC. “Larry’s approach to client service is an excellent complement to Blytheco’s own, and we are confident that the transition will be a smooth and positive one for all of us.”
