Blytheco Helping Olive Crest “One Life at a Time” for the Holidays

Laguna Hills, CA – December 19, 2006 – Participating for a second year, Blytheco is helping fulfill holiday wishes for the children at Olive Crest through employee donations. “The team effort at Blytheco reaching out to the families of Olive Crest during this time of year is especially heart warming”, remarks Stephen P. Blythe, President of Blytheco. “It is a stressful time for each and every one of us yet, when you see the needs of so many it truly is a reality check on the important things in life. The hardships that these children of Olive Crest have had to endure, makes giving to them even more worthwhile. It is this contagious spirit the employees at Blytheco embrace to make a difference in people’s lives and in our community.”

Olive Crest is one of the West coast’s premier children’s charities with a mission dedicated to preventing child abuse, to treating and educating at risk children and to preserving the family, “One Life at a Time”. The statement of need is alarming:

- Every 10 seconds a child abuse report is filed in the United States;
- Two-thirds of the estimated 1 million children who run away each year were physically or sexually abused;
- Every Death Row inmate reported growing up in a violent, abusive environment.

Olive Crest continues to promote the safety and wellness of children and families through an array of innovative programs including specialized education, foster and adoption, family preservation, and residential homes.
