**Blytheco Cancer Bashers Mark Nine Years of Support for American Cancer Society Relay for Life**

Laguna Hills, California – September 29, 2007 - The Blytheco “Cancer Bashers” are at it again! For the ninth consecutive year, Laguna Hills-based consulting firm Blytheco, LLC is proud to support the American Cancer Society’s **Relay For Life** Event, held this year at El Toro High School in Lake Forest, California on Saturday, September 29 and Sunday, September 30, 2007.

The “Cancer Bashers” team of twenty-eight members, including company representatives based in Ohio, Texas, and Oklahoma, will walk and run at this overnight event that brings communities together to help support the American Cancer Society and its mission to eliminate cancer as a major health problem. Relays are held in 4,800 communities nationwide, with over 3.5 million participants who gather to remember those lost to cancer and fight the disease. Learn more about Relay For Life and the American Cancer Society at [www.relayforlife.org](http://www.relayforlife.org).

As a supplemental fundraising effort, Blytheco’s team will hold a drawing for a hand-made quilt created by Blytheco staffer Ginny Jaranowski. This is the seventh year that Ginny has offered a beautiful, one-of-a-kind quilt for this effort, and all proceeds from ticket sales for the quilt drawing go directly to the American Cancer Society.
