Blytheco Welcomes Result Data

Laguna Hills, California – September 28, 2010 – Blytheco, LLC today announced that the company has acquired the [Sage SalesLogix](#) practice of Columbus, Ohio-based Result Data Consulting, Ltd. Blytheco, LLC is the leading Sage business partner, representing [CRM](#), [ERP](#), and [HRMS](#) solutions from its nine nationwide locations.

Result Data specializes in Data Management and Business Intelligence solutions; their clients will be served from the existing [Blytheco Columbus, Ohio office](#). This transaction continues Blytheco's expansion strategy of growth by acquisition; the company has acquired multiple Sage consulting businesses in the past several years.

"I'm proud to welcome Result Data's clients to the Blytheco community," said Phil Sim, Blytheco's Vice President of CRM. "We are confident they will benefit from access to the many resources our organization offers, and we look forward to helping them meet their business goals."

"Blytheco is able to offer our customers a wide array of CRM-related services and solutions." said Tom Meers, President of Result Data. "By having Blytheco assume support for our customers using Sage SalesLogix, Result Data can better focus our resources on providing the best in data management and business intelligence solutions."
