Ten Years of Relay for Blytheco “Cancer Bashers”

Laguna Hills, California – September 26, 2008 - For the tenth consecutive year, Laguna Hills-based consulting firm Blytheco, LLC was proud to support the American Cancer Society’s **Relay For Life** Event on Saturday, September 20 and Sunday, September 21, 2008. The Relay for Life is an overnight walk/run held this year at El Toro High School in Lake Forest, California.

The “Cancer Bashers” team of twenty members, together with the Kids for Hope team, raised almost \$7,000 to help support the American Cancer Society and its mission to eliminate cancer as a major health problem. Relays are held in 4,800 communities nationwide, with over 3.5 million participants who gather to remember those lost to cancer and fight the disease. The 38 teams at the Lake Forest Relay raised \$102,000 thus far, with donations still being accepted. Learn more about Relay For Life and the American Cancer Society at www.relayforlife.org.

Blytheco’s team held a drawing for a hand-made quilt created by Blytheco staffer Ginny Jaranowski. This is the eighth year that Ginny has offered a beautiful, one-of-a-kind quilt for this effort, and all proceeds from ticket sales for the quilt drawing go directly to the American Cancer Society. Blytheco business partner Jack Kising was this year’s quilt winner.

Blytheco, LLC Director of Operations and Relay team leader Sally Brown reports that, since their first year of participation in 1999, Blytheco team members have raised almost \$80,000 for the organization. “We are so proud of our team and we appreciate the generous donations and participation of our employees and their families. We know that we can make a big impact on the fight against cancer, a disease that touches all of us in some way, if we work together and have fun at the same time!”
