

About Blytheco

Company Mission:

We partner with our valued clients to help realize their business goals, by providing quality software solutions and exceptional professional services.

Putting all of the pieces of your business together to create the big picture can be daunting. Since 1980, Blytheco, LLC has assisted clients in diverse industries with their system needs in accounting, operations, human resource management, customer relationship management, warehouse management, manufacturing, and asset tracking. Working with award-winning applications from Sage, our team serves over 4,000 clients nationwide with reliable and responsive services.

Our goal is to help you identify and solve your business challenges by combining relevant technologies with our industry experience, and emphasizing ongoing education of clients. Blytheco specializes in risk management, change management and effective training, which are critical to the efficient implementation of your business system.

One Stop Source for Complete Business Solutions:

Blytheco implements and supports the following Sage applications:

- Sage X3 • Sage MAS 500 • Sage MAS 90 and MAS 200 • Sage Accpac • Sage BusinessWorks
- Sage MIP Fund Accounting • Sage FAS • Sage Abra HRMS • Sage SalesLogix • SageCRM • ACT! by Sage • Sage MIP Fundraising •

Sage offers a large family of products that gives you the peace of mind to know there is an ERP, CRM or accounting software solution ready for your business as it grows.

Your business is unique. Blytheco's solution-oriented approach is focused on creating systems and processes for your business that are powerful enough to meet today's requirements and flexible enough to adapt to future needs. We help you meet your business goals using proven implementation strategies that include thorough project planning and engagement management, with client involvement at every stage.

Why Work With Blytheco?

The Leadership

Our Executive Leadership:

Blytheco's executive leadership is a team of industry veterans with diverse strengths and skills. Each brings a unique perspective and contribution to the firm.

Stephen P. Blythe is CEO and founder of Blytheco, LLC. His experience at Price Waterhouse and Ernst & Young and over thirty years of leadership in business system design and implementation has provided him the insight and experience to help businesses obtain their goals. He is based in Blytheco's Laguna Hills, CA office.

Ruth Menter leads the consulting team as President and COO of Blytheco, LLC and is based in the Atlanta, GA office. Her extensive experience in analyzing business processes has made her an expert in translating requirements into technical solutions. Ruth provides guidance on delivering client solutions involving complex business systems.

Nicholas Hoad is Executive Vice President of Technology Solutions in Blytheco's Atlanta, GA office. Nicholas oversees Blytheco's research and development efforts and co-leads the Sage ERP X3 initiative. He has extensive experience in multi-systems integration, including the development of several new modules for the MAS 90-200 and SalesLogix product lines.

Judy Peterson is Vice President of Consulting for the MAS 90-200 product line, and is based in the Minneapolis, MN office. Judy has a Bachelor of Science degree in Accounting from the University of Minnesota and has over 20 years experience in the industry.

Tim Baker, CPA, CMA is Vice President of Consulting, based in the Columbia, SC office. Tim leads the MAS 500 consulting team and co-leads the X3 initiative. He has over seventeen years of business consulting experience in the public and private sector and extensive experience in system selection, design and implementation.

Jeffrey Gregorec is Blytheco's Vice President of Sales, tasked with growing and developing our sales team. Jeff has over eighteen years of executive leadership experience and has customer experiences ranging from small business through Fortune 100.

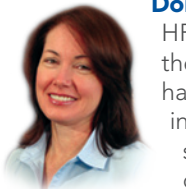

Jeff is a graduate of Arizona State University, a member of a number of several business and civic organizations, including the Fiesta Bowl Committee.

Phil Sim is Blytheco's Vice President of CRM, and works from the Denver, CO office. Phil specializes in business process evaluation, workflow optimization, and integrating Customer Relationship Management systems with vertical applications.

Anne Alario is Blytheco's Controller, and works in the Laguna Hills, CA office. She works closely with the corporate leadership team and provides financial accounting, forecasting, and reporting services for the company.

Donna Baeza serves as Director, HR & HR Business Solutions and works from the Blytheco Laguna Hills, CA office. She has over fourteen years of experience in Human Resources management and serves as an industry expert for the company's HRMS division.
