Sage CRM SalesLogix Marketing

Identify Profitable Customer Segments

Select the criteria of your ideal target prospect, then segment your customer and prospect lists into unique groups. With Sage CRM SalesLogix Marketing, you can find the most responsive audience for your campaigns and increase your revenues.

Map Your Path to Selling More

Graphically configure custom campaign processes, assign them to unique groups of prospects, and then launch the campaign. The follow-up tasks you identify are scheduled and assigned to your sales team automatically based on rules you define.

Manage Campaigns End to End

Manage and track every component of your campaigns from within the Sage CRM SalesLogix Marketing campaign dashboard. View campaign tasks, objectives, calls-to-action, and budgets. You can also view response rates and forecasted versus actual sales results in real time for each campaign from within a single view.

Measure ROI and Report Campaign Metrics

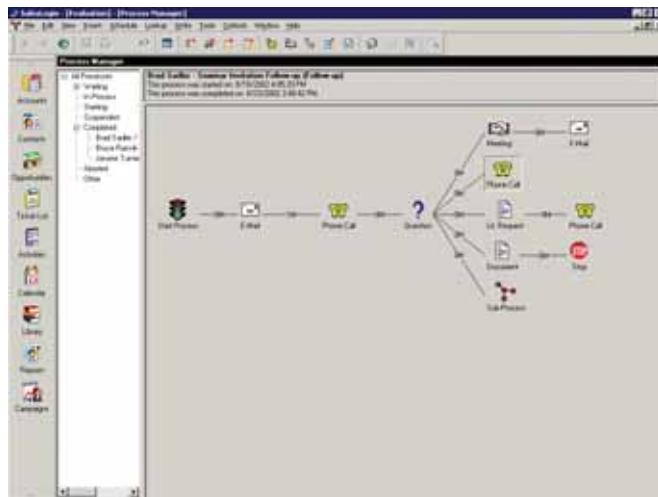

Sage CRM SalesLogix not only tracks response rates and ties sales revenue to specific campaigns, but also enables you to analyze marketing campaigns by lead source, region, media type, and products sold, using flexible built-in reports.

In addition, a record of every campaign communication is linked to the account history, so employees from Sales and Marketing to Customer Support and Accounting share a complete view of all account activity.

With Sage CRM SalesLogix Marketing, you'll have every detail of your campaigns at your fingertips and the insight you need to increase the effectiveness of your marketing efforts and deliver sales results.

PRODUCT BENEFITS:

- Segment customers and prospects by meaningful profiles
- Create custom campaigns for unique groups
- Design and deliver high-impact marketing communications
- Automate campaign activity scheduling and follow-ups
- Assign "hot" leads based on dynamic business rules
- Track campaign success by lead source
- Analyze ROI and increase marketing efficiency

Design custom campaign processes and apply them to unique groups of customers or prospects. Sage CRM SalesLogix automatically schedules the follow-up activities and assigns them to your sales team.
