Authorized Partner

Select 2007

Sage Abra replaces paper-based, time-consuming, and error-prone HR/Payroll methods, and is modular so you can customize the solution according to your needs, desired level of automation, and budget. Along with a comprehensive set of HR and payroll features, Sage Abra includes powerful reporting and analysis tools to manage critical business information, employee self service, benefits enrollment, and workflow features that keep your workforce connected at all times. And with multi-database platform support, including MS SQL Server, MSDE, and Visual FoxPro, Sage Abra now offers even more flexibility than ever before.

If you're ready to lower costs, reduce administrative time, and empower your employees, then Sage Abra is a perfect solution. With Sage Abra, the free flow of information between employees, supervisors, managers, and administrators saves time and money. Backed by superior customer support, Sage Abra HRMS provides unparalleled technical expertise, tax and legislative updates, and product enhancements that ensure your ongoing success. Now you have the flexibility to choose the solution that fulfills the unique needs of your business.

From developing innovative products to providing award-winning customer support, Sage Software is dedicated to surpassing expectations in all aspects of our business. Our software is supported by a nationwide network of Certified Business Partners who are your resource for implementation, training, service, and support.
