

## Your Payroll...Your Choice

Introducing Sage's Outsourced Payroll  
Alliance Partner...CompuPay

In our continued effort to strengthen and improve our service to meet customer's needs, Sage is pleased to announce a new alliance with CompuPay, a leading national payroll outsourcing provider.

CompuPay prides itself in serving the needs of its clients better than anyone else. Its innovative payroll solutions are designed to meet your needs as you grow. Whether you are a small start-up business or a major public company, CompuPay makes payroll easy and intuitive.

Most importantly, CompuPay places an even stronger emphasis on the human touch. With offices across the nation, and more on the way, you are always a phone call away from prompt, personal, professional service. CompuPay is one of the country's leading experts in payroll, tax filing and HR-related services. The company has become a major force in the industry by tailoring innovative, cost-effective payroll solutions for small and mid-sized businesses in all 50 states.

**For businesses all across the nation, Sage's Outsourced Payroll Alliance Partner, CompuPay, is the ideal payroll solution.**

# CompuPay combines innovative payroll products and outstanding client services to create a unique solution that's just right for your business.
