5. WARRANTY

The program is licensed "as is" with no warranties of any kind, either expressed or implied or inferable from the course of dealing or custom of trade, including, but not limited to, any implied warranties or merchantability or fitness for a particular purpose, with respect to the program or documentation described in this manual, its quality, or performance. The entire risk as to its quality and performance are with you. Any statements, made by a reseller or consultant about the program, are not warranties and shall not be relied upon by you in deciding to sublicense the program. Should the programs prove defective, you (and not Sage Software, Inc., the reseller or consultant of its products or others involved in the product's development) assume the entire cost of all necessary servicing, repair or correction and any incidental or consequential damages resulting from any defect in the software, even if Sage Software, Inc. and Blytheco have been advised of the possibility of such damages.

6. LIMITED WARRANTY FOR CDS

To the original licensee only, Blytheco (but not Sage Software, Inc.) warrants the CD on which the Program is recorded to be free from defects in materials and faulty workmanship under normal use and service for a period of ninety (90) days from the date the Program is delivered. Any implied warranties of merchantability and fitness for a particular purpose are limited in duration to the period of (90) days from the date of delivery. If, during this 90 day period, a defect in the CD should occur, the CD may be returned to Blytheco and Blytheco (not Sage Software, Inc.) will replace the CD without charge to you, provided that you have previously returned the Warranty Registration Card to Blytheco or if you send a completed Warranty Registration Card along with a copy of your sales receipt for the Program.
