

## Recommended fax boards and modems for VSI-FAX 5.1

In order to get maximum performance and reliability from your fax server, Esker recommends fax boards and modems from these manufacturers:

- Brooktrout Technology ([www.brooktrout.com](http://www.brooktrout.com))
- Eicon Networks ([www.eicon.com](http://www.eicon.com)). Esker supports only Eicon analog boards in the United States. Esker supports Eicon analog and digital boards outside of the United States
- Multi-Tech ([www.multitech.com](http://www.multitech.com))

### Brooktrout fax boards

Brooktrout TR114 and TruFax Analog boards are only supported in the Windows fax server platforms. However, Brooktrout TR1034 and TruFax BRI 250/450 boards are supported in Windows, Solaris (Sparc) and Red Hat.

#### Fax Boards
