Blytheco receives Sage Community Service Award

Laguna Hills, CA – August 28, 2013 – Blytheco is pleased to announce that the company, a leading business partner for ERP, CRM, HRMS, and Marketing Automation solutions, has received the prestigious Community Service Award from Sage North America.

The Community Service Award recognizes the Sage business partner who has embodied all five of the Sage principles: Agility, Innovation, Simplicity, Trust, and Integrity. In addition, selection was based on corporate responsibility and support giving back to the community through volunteerism and charity work.

One primary charity for Blytheco has been the American Cancer Society (ACS), Relay for Life event. As a participant for 14 years with this annual event, Blytheco employee teams have walked continuously for 24 hours to raise money and awareness for ACS. Approximately \$125,000 has been raised since Blytheco began supporting them.

“We are honored to be given this award by Sage”, shared Stephen Blythe, CEO and Founder of Blytheco. “It is a tribute to our employees for the many acts of service they demonstrate throughout their communities nationwide”.
